EASTER LILIES.

Note particularly our offer of 3" pot size Easter Lilies at \$19 per 100. These are really already 5" pot size plants, or rather the roots are for a 5" pot.

Order now - plants 5-8" tall, and you can grow them cool, and make them for Easter.

We have been working on this potted Lily for three years, and each year we sell more and have better success, and we can promise you this year that they are even better than ever. Try 100, and see what a buy they are. At \$19 per 100 you will want more. Available for immediate shipment.
